Kristine, Thanks for the follow-up and clarification. That is very helpful.

Regards,  
Kelly

**Subject:** Section 3 Alternatives

Kelly, we looked into the issue you raised and you were correct. There was an error in the coding which will have an effect on the technology assignments, which also will make the volumes dredged and material for caps change. We will work on updating this and get corrected information out after we complete Section 4.

Thanks,

Kristine Koch
